Authorised Signatory

M. Patel, Head of Certification

This certificate is issued under accreditation. Validity may be verified at the issuing body's online register 

Scope Annex - Statement of Applicability Summary

The Statement of Applicability covers all 93 controls of ISO/IEC 27001:2022 Annex A. No controls are excluded. Additional control mappings are maintained for ISO/IEC 27017 (cloud) and ISO/IEC 27018 (PII in public clouds). The Information Security Steering Committee meets quarterly and reviews the Statement of Applicability at least annually.
