Prepared by **Independent contractor (sole practitioner)**

Issued to **GlobalTalent HR Solutions LLC**

Test completion date: **2023-04-18**

1. Statement of Engagement

Independent contractor (sole practitioner) (an independent contractor) was engaged by GlobalTalent HR Solutions LLC to conduct a penetration test of selected production assets. Testing was performed during April 2023 with a single tester over a five-day window. This attestation summarises high-level findings; a detailed technical report was delivered separately.

2. Scope

External-facing portal and AWS-hosted production VPCs.

3. Methodology

Testing followed the OWASP Web Security Testing Guide (WSTG) v4.2 and PTES (Penetration Testing Execution Standard). Tactics are mapped to MITRE ATT&CK; Enterprise. Authenticated and unauthenticated test perspectives were used.

Note: This engagement did not include CVSS-based scoring. Findings are categorised as 'high', 'medium' or 'low' based on the tester's judgement.

4. Findings Summary

Report did not include CVSS scoring. Listed 3 'high' issues, all marked 'fixed'.

5. Severity Distribution

Severity	Count	Status
High	3	Marked fixed by vendor
Medium	0	
Low	0	

6. Retest

No retest performed.

7. Limitations and Disclaimer

This attestation summarises a point-in-time security assessment. Findings are not exhaustive. The detailed technical report is subject to mutual non-disclosure and is available to authorised customer recipients under separate cover.
